

Felt Board Games, Song and Finger plays

Tune: Up on the Housetop

Look in the garden,
There I see
Ten little carrots growing merrily
Peter came and ate one
Oops, Oh No!!
Now there's only Nine carrots in the row.

Tune: Ten Little Indians

Mr. McGregor had
1 little, 2 little, 3 little carrots
4 little, 5 little, 6 little carrots
7 little, 8 little, 9 little carrots
10 little carrots for his family to eat.

Oh Peter ate
1 little, 2 little, 3 little carrots
4 little, 5 little, 6 little carrots
7 little, 8 little, 9 little carrots
Now there's now for McGregor to eat.

Tune: Happy Birthday

Peter Rabbit, I see you.
Peter Rabbit, I see you.
You're hiding in the water can.
Don't let Mr. McGregor see you.

Tune: Are you sleeping

***Make vegetables out of felt and use
On a felt board.***

In the garden is a pattern
Look and see,
Say it with me.
Carrot, cabbage, radish
Carrot, cabbage, radish
What will the next one be?
Please tell me.

Tune: Do your ears hang low?

Oh, Mr. McGregor is a really mean guy.
He never hares his carrots
With Peter anytime.
If you take my carrots I will put you in
A pie.
Oh Mr. McGregor.

Tune: Are you sleeping?

***Make veggies out of felt
Make ears and have the kids taking
turns being Peter.***

Peter Rabbit, Peter Rabbit
What do you see
That's good to eat?
In McGregor's garden
In McGregor's garden
Please tell me, what's good to eat.
