

Peter's Coat

This coat pattern is designed to be used for the Peter Rabbit that was available in the Target \$1 bin. I made my coat out of blue felt. It is really simple sewing so don't feel intimidated even if you've had little sewing experience. Cut one of the coat back and two of the coat front. Sew at side and shoulder seams where indicated. Clip a notch in the arm pit and trim your seam to 1/8". Turn right side out. I rolled the sleeve up and hand sewed it down. I turned $\frac{1}{4}$ " over at the coat front and hand stitched that down as well. Then I added three small brass looking buttons. You can use a mess onion sack to simulate the net that Peter got caught in.
